

IRISNotes™ Air 3

Turn your handwriting into digital notes, wherever you are!

At home, in the office, in a classroom or in a meeting room, IRISNotes™ Air 3 is a real time-saver; not only does it store your handwritten notes and graphs, but also turns them into editable text on your PC or Mac®, ready to be sent to your favorite text processor (Word, Outlook®, Notepad).

Sharing your digital notes couldn't be easier: IRISNotes™ Air 3 transfers them via Bluetooth to your mobile devices (Android or iOS); thanks to the free provided App "IRISnotes™ 3", notes can be sent instantly through email or simply saved. You can also get creative: IRISNotes™ Air 3 allows you to write and draw on photos taken with your mobile device which you can share with friends, family or colleagues - wherever you are!

Key features

- Capture your notes and drawings anytime, anywhere. No computer needed!
- Specially convenient for educational actors (like students or teachers) and businessmen on the go
- Unique device for business travelers and meeting minute note takers
- Works on any standard paper with standard ink refill (available on IRIS' webshop).
- Turn your handwritten notes into editable text thanks to the provided PC and Mac® software and export to Outlook®, Word or Notepad
- Learning module for improved handwriting recognition
- Write and draw on pictures taken with your smartphone, tablet, iPhone® and iPad®
- 30 languages recognized by the OCR engine.
- Unique recognition of combined texts & graphs.
- No batteries needed thanks to the USB-rechargeable built-in battery.
- Store up to 100 A4/letter size pages.
- Full mouse and tablet functionality when plugged to your computer.
